CERTIFICATE OF HEMP

Issued to:

Licensee Name: **Patricia Tobia-Akins**

License No.: **25190017D**

The Crop ("Crop") designated below has been tested to confirm Acceptable Hemp THC Levels in accordance with 330 CMR 32.00 and 7 CFR 990 and is certified as Hemp under M.G.L. c. 128, Section 116, 330 CMR 32.00, and 7 CFR 990.

This Certificate must stay with the Crop at all times and accompany all shipments of the Crop, including any portion, so that anyone coming into contact with the Crop has access to written documentation demonstrating that this Crop has been grown in compliance with 330 CMR 32.00 and 7 CFR 990, and contains Acceptable Hemp THC Levels. This Certificate applies only to the Sample ID (Lot) set forth herein below and shall not serve to certify any other portion of Licensee's Crop.

This Crop was tested in accordance with 330 CMR 32.00 and 7 CFR 990. This Certificate guarantees that on the sample date designated below, the Crop was found to contain Acceptable Hemp THC Levels, or less than 0.3% total THC, inclusive of a Measurement of Uncertainty. This Certificate does not guarantee the THC Levels of the crop at the time of harvest, or that seeds produced from this Crop will produce future Crops with Acceptable THC Levels.

Certificate No.: **2523IHC001702**

Variety: **Berry Blossom**

Total THC: **0.180%**

Measurement of Uncertainty: **+/- 0.0254**

Sample Date: **9/25/2023**

Sample ID (Lot): **SMS-092523-0017-02**

Date Issued: **10/25/2023**
